## Jan. 16, 7 p.m., **Timeline**

Paul Walker, Frances O'Connor

In France, Professor Johnston, his son Chris, and a team of archaeology students are working on the ruins of a 14th-century castle. Kate and Andre make a startling discovery: they find an old bifocal lens and a letter from Professor Johnston. It turns out that the head of the corporation running the dig, Robert Doniger, opened up a wormhole leading to the 14th century. Professor Johnston is now trapped in history, and it's up to his students to find a way to get him back.

**PG-13 (intense battle sequences, brief language)** 116 minutes

## 9:30 p.m., **Gothika**

Halle Berry, Robert Downey Jr.

Criminal psychologist Miranda hears confessions from a satanic patient Chloe and later has an experience with a mysterious woman. This leads to nightmares, but her life really becomes horrific when she wakes up and discovers she's been locked in her own sanitarium for a murder that she can't remember committing. While trying to figure out what's happened and separate fact from fiction, her colleague Pete Graham wonders whether she's finally gone crazy.
